A. Policy Information and Grant Deadlines

The applicant or organization must have an address and provide arts programming within the Prairie Lakes Regional Arts Council region; the counties are: Blue Earth, Brown, Faribault, LeSueur, Martin, Nicollet, Sibley, Waseca, or Watonwan County. Non-profit tax-exempt 501(c)(3) arts organizations, non-profit community groups, public organizations, or units of government that produce or sponsor arts activities within the region are eligible. Applications from individuals or for-profit businesses are not eligible. These Small Arts Project Community Grants enable a group to sponsor or produce a community arts activity that may have a smaller budget. This program is made possible by funds provided by the Minnesota State Legislature, under a program designed and facilitated by Prairie Lakes Regional Arts Council.

The purpose of the Small Arts Project Community Grant is to provide funding for organizations directly engaged in the creation of art, the production of artistic performances or arts services, or the sponsorship of quality arts activities in our local communities. This may include dance, literature, media arts, music, theater, and visual arts activities. Public Art projects are also fundable. A variety of activities including art and music festivals, community choirs, dance performances, literary readings, instrumental and vocal music concerts, theater productions, visual art classes and exhibitions are eligible. The types of music genres that can be funded with grant money are: bluegrass, blues, country, ethnic (Czech, German, Irish, Native American, etc.), folk, old-time-traditional, jazz, etc. Artist fees for rock ‘n roll or country bands typically seen in a bar are not eligible for grant money; nor are DJ’s, Karaoke, etc. Arts celebrations in communities can use grant funds for music groups that are performing in a community setting, but not for marching band fees that are participating during a parade. Further details and restrictions are on page 4.

A new way of thinking about your Small Arts Project Community Grant:
1. Online Application Form Required. Details are on page 2 under “How to Apply”.
2. Response to Application Questions: Have it be more specific to the actual project you are listing in the application and how you will use the grant funds.
3. Not more than half of the grant can be used for salaries of paid staff.

The goal of PLRAC as an organization is to strive for Equity and Inclusion in our policies, programs and the community we serve. Therefore, a few new questions are being asked about Equity and Inclusion in our grant applications if your project is to provide Access to the event. These questions encourage applicants to think broadly and plan intentionally to reach more people through their arts programming and activities.

This may include historically marginalized and underserved groups such as:
* IPOC (Indigenous people and People of Color including Native American, Black/African/African American, Afro Latino, Caribbean, Chicano/Mexican, Central American, South American, Middle Eastern/North African, Southeast Asian/Asian/Pacific Islander, Immigrants, Refugees, and Muslim individuals.);
* Economically disadvantaged
* Youth and Seniors
* People with Disabilities
* LGBT (Lesbian, Gay, Bisexual, Transgender, etc.)

1. Small Arts Project Community Grants are matching grants ranging from $200 to $2,000 and this grant must be matched with at least 10% cash. Applicants must provide a 10% cash match of the total project expenses. No in-kind is allowed on the budget page of the application or travel expenses outside of Minnesota.
The maximum request should be the difference between the Total Income (Match) for the Project and the Total Project Expenses. The arts council encourages innovative programming and growth. Repeat projects may not always be funded. Applicants may only receive one grant per fiscal year; and projects must be completed within one year of the awarding of the grant, unless an extension has been requested and granted by the Executive Director of Prairie Lakes.

2. **The monthly deadlines are July 1, 2019 thru May 1, 2020; or until funds are exhausted.** Applicants should plan their projects six months in advance and submit an application at least 60 days and preferably 90 days in advance of the project starting date. The review and notification process takes approximately 4 weeks; payment is one month prior to the event. The arts council encourages innovative programming and growth. Repeat projects may not always be funded. Organizations may only receive one of these grants per fiscal year.

3. **Small Arts Project Community Grants are for organizations with smaller budgets and projects.** The monthly deadlines allow for more flexibility in the planning, but groups are still recommended to plan 6 months in advance and apply for this grant at least 60 days prior to the project. A different program available to larger arts organizations with larger budgets and year-round programming is the Arts and Cultural Heritage (ACH) Grant. There are two ACH categories available which are Arts Programming and Arts Access (maximum grant of $7,000) and Arts and Cultural Heritage Festivals (maximum grant of $5,000). The ACH Grant requires the applicant to do more evaluation of the project and conduct a survey of the audience members or constituents it serves. Arts Organizations will not be eligible to receive both a Small Arts Project Community Grant and an ACH Grant in the same year. The organization should choose this Small Arts Project Community Grant of $2,000 or the ACH Grant with a higher maximum; you must choose which one to apply for. The yearly maximum of $7,000 per organization for arts programming, per year is allowed in FY 2020.

4. **New applicants or groups with different projects (those not receiving a grant in FY 2019) must contact staff prior to submitting an application to review the project, budget and inquire about funds available; otherwise the applicant will not be considered eligible for funding.** Submit an application early as this is a first come, first serve program. Applications must be submitted online by the deadline date, before 11:59 p.m., to be eligible for consideration. No grant will be considered complete without the electronic signatures of the Grant Manager and Board President (or officer of your organization) and Fiscal Sponsor (if applicable, see letter G. on page 6).

**B. How to Apply: Online Grant Process**
1. Go to our website [www.plrac.org](http://www.plrac.org) and Click on Applicant Login button, listed in the left menu on the homepage; or on the Grants Program page. There is also a written description of the online login process that you can download and save from the Grants Program page.

2. If your organization received a Small Arts Project Community Grant in FY 2019, log into the account that is already created to apply for a new grant in FY 2020. **Don’t create a new account!** Use the same login email address and password your group previously used. Don’t click on Apply at the top left margin; instead look below to your Applicant Dashboard. Click on Edit Application. If you want Prairie Lakes staff to copy your grant from last year into the new year, contact our office.

3. **New applicants need to Register your organization online.** If the organization is a first-time applicant, an online account will need to be created using an email address and a password.
   a. You will need your EIN number to complete the registration. This is your IRS issued Employer Identification Number.
   b. Register yourself as a user under that organization. Multiple contact people can be listed for your organization. However, only one email address and password will be associated with the account. You
can share the email address and password with others, so they can log in and enter information prior to submitting an application.

c. Important: The email address you use to register with will be your user login to get back into the system. You will need this login and a password you create for any future applications or follow-up materials. All automated communication for your grant will also come to this email address from administrator@grantinterface.com, so be sure to add it to your safe sender’s email list. Once the registration process is completed and an account has been established, the application process can begin.

4. After Registering, you will see the Applicant Dashboard with a horizontal toolbar above the “Applicant Dashboard” title. The horizontal toolbar includes brown words that will highlight in tan when you scroll across them.
   
   Tip: Clicking on the home icon anytime on the toolbar will bring you back to the Applicant Dashboard.
   
a. Click on Apply, on the horizontal toolbar.
   
b. Several different grant programs will be listed, and you will select the appropriate one, and click on Apply under that section.
   
c. The Grant Programs include: Arts and Cultural Heritage (ACH), ACH Youth Scholarship, Small Arts Project Community and School Arts Project Grant, and Artist Grant.

5. Start completing your application online by clicking into the appropriate Grant category.
   
a. We recommend that you write your answers in a Word document first; and then copy and paste them into the appropriate fields in the application.
   
b. Keep in mind that formatting, such as bold, italics, bulleting, etc. do not transfer to the online application form. When working in Word, periodically do a character count to ensure your answer does not exceed the character limit for each question.
   
c. Review the Grant Guidelines and Application Questions that are on the Grants Program page of the Prairie Lakes website www.plrac.org or within the online application for your arts grant program.
   
d. The online application form allows you to save your work and come back to it later. The “Save” button is located at the bottom of the page. It is recommended that you save your work often, even while continuing to work on it, so as not to lose any work. Always save before exiting the online grant system, as any work you have done or any files you have uploaded may not have automatically saved. You are required to use the save button to finalize the uploading of the document into the application.
   
e. We recommend that you create a separate file folder in your computer, labeled for each particular application. In this folder store your word draft, downloads of the questions from the grant application process, budgets, support documents, etc.

6. Submit the application online and include: Supporting materials which are essential to the project (i.e. artist resumes, staff resumes, Small Arts Project Community budget form, etc.).
   
a. Answer all required questions on the grant application. You will be able to see all the questions and go in and out of the application as you collect answers and complete it. If you are missing items, you will not be able to submit.
   
b. Download, save and complete your Small Arts Project budget in an Excel file and then upload it to your grant. Make sure it includes both estimated expenses and revenue. Your expense and revenue portions of your budget must “break even” with the grant award included in revenue. If your organization is providing the match please list your organization in the revenue portion with the money you are providing to match. If earned income through ticket sales or participant fees generates the match, make sure your numbers are supported within other parts of your narrative and application.
   
c. When you log back in to continue working, your draft application will be located at the bottom of your Applicant Dashboard, under your contact information.
7. Applicants are encouraged to call the Prairie Lakes office at 1-507-833-8721, 1-800-298-1254 or email prlac@hickorytech.net to discuss eligibility.
   a. **Applications must be submitted online by 11:59 p.m. on the deadline date.**
   b. Applications received after the deadlines are ineligible. There are no exceptions to this policy.
   c. The application records the date of submission so make sure that you meet the deadline date for submission online.
   d. A pre-review of the application, budget, narrative, etc. is available prior to the deadline date; two weeks prior to our deadline is best. Contact our office to ask for a review of your application in its draft form within the online grant system. We are able to view your application as you are completing it. Staff assistance does not guarantee or imply that a grant request will be funded. The content and accuracy of an application are solely the responsibility of the applicant.

The projects should not occur prior to final grant approval, but exceptions may apply if the applicant just begins rehearsal or planning for the main event or concert. New applicants must contact the staff prior to submitting an application to discuss their project and budget. Failure to do so will make the application ineligible. Staff analyzes the application for eligibility, budget accuracy, clarity and completeness; and contacts the applicant if changes are required. The Prairie Lakes Board reviews and ranks all applications and makes final approval.

C. Application Review Procedure
Small Arts Project Community Grant applications will be reviewed on a monthly basis however; there is not a board meeting in December or June. Applications must be submitted by the 1st of each month to be eligible for review that month. Those received after that date will be reviewed the following month. The board may recommend approval at the full amount requested, a partial grant, or denial of funding. On occasion the board may request clarification or modification of the grant application; prior to approval and applicants will be contacted. Notification is approximately 4 weeks after the grant deadline.

E. Grant Review Criteria
Three criteria are used by the Prairie Lakes Board to evaluate applications and there are 10 points per category; total of 30 points. Applicants do not answer these questions; we are only providing them for your information.
1. Artistic quality and merit of the project. Is the organization's mission and project appropriate? Does the project have artistic impact relative to the community?
2. Ability of the organization to carry out the proposed project. Is the management of their organization strong? Are the qualifications of the personnel to be used in the project good? Does the group appear to have sufficient initiative and ability? Are the planning processes, marketing and publicity appropriate for the project? Are the expenses and income on the budget page appropriate for the project?
3. Artistic need for the project by the organization and/or community. Is there community involvement and support for the project? Have they described the benefits to the community that will result from this project?

Based on these review standards the arts council shall make one of the following decisions: (1) Full funding of the amount requested; (2) Partial funding; (3) No funding; or (4) Table the request, pending receipt of additional information or modification.
F. Grantee Responsibilities.
The grant recipient must:
1. Not limit participation in the project on the basis of national origin, race, color, religion, age, sex, handicap, or ability to pay.
2. Use grant funds only for the expenses described in the project grant application.
3. Be responsible for completion of the project and for proper management of the grant.

A copy of each Thank You letter sent to both legislators, acknowledging the grant, must be uploaded into the Final Report. After approval of this information, the remaining 20% of the grant is paid to the grantee. Failure to submit a Final Report will result in the applicant not being considered for funding for the next two years.
5. Include the following credit line in all advertising, news releases, printed programs, and promotional material: “This activity is made possible in part by a grant from the Prairie Lakes Regional Arts Council from funds appropriated by the Minnesota State Legislature from its general fund.”

H. General Information for Small Arts Projects Community Grant
1. Fundable Small Arts Project Community Grant. Projects that involve the creation, performance or exhibition of art. Activities which are intended to develop and enhance artists, art resources or arts audiences within the community or region. This could include, but is not limited to, dance, literature, media arts, music, theater and visual arts. Activities may include art and music festivals, community choirs, dance performances, literary readings, instrumental and vocal music concerts, theater productions, visual art classes and exhibitions, etc. Public art projects are also fundable. Below is a general description about Public Art and what is involved with that process.

Public Art is the creation of a sculpture, mural, public performances, temporary works, and other grassroots forms of public art that engage the community in new ways. The applicant should identify a qualified artist to design and complete the work; working with a committee of citizens. In the proposal the applicant would need to describe: Why this public art is needed, how it will represent the community or the community’s history, and what community input was solicited in the planning phase. Also, was a committee formed to discuss and plan the project? Public Art often requires collaborations between the city, school, community at large, etc. The applicant would also have to identify and describe which organization would be responsible for the long-term upkeep of the Public Art. Also, submit the artist’s resume and documentation of their professional capacity to complete a mural, sculpture, or temporary art installation, etc. and list examples of past work. We recommend applicants inform themselves about public art and its processes and a resource is Forecast Public Art in St. Paul which has a Public Art Toolkit for communities. http://forecastpublicart.org/toolkit/didactic.html. Please contact the Prairie Lakes office for more guidance and information on Public Art projects if needed.
2. **Applicants presenting music groups must list the music genre per group, the city they are from, and the cost per group.** The types of music genres that can be funded with grant money are: bluegrass, blues, country, ethnic (Czech, German, Irish, Native American, etc.), folk, old-time-traditional, jazz, etc. Artist fees for rock 'n roll or country bands typically seen in a bar are not eligible for grant money; nor are DJ’s, karaoke, etc. Arts celebrations in communities can use grant funds for music groups that are performing in a community setting, but not for marching band fees that are participating during a parade.

3. **Projects may also include the sponsorship of touring artists from within our region, state or nation.** The artist fee for outstate artists is permitted, but not their travel expenses in this state funded program. In FY 2020 the state legislature has enacted a restriction on travel expenses outside of Minnesota.

4. **Applying Organization**
   The **Applying Organization** is the group that will be administering the actual the project. Individuals may not apply. The **Grants Manager** should be the person responsible for the day-to-day details of the project, the person to whom correspondence and telephone calls are to be directed, and someone who is readily available during regular business hours. This person is responsible for the timely submission of all required forms and reports to Prairie Lakes.

5. **Non-Profit and Tax-Exempt Information**
   Attach Articles of Incorporation and Minnesota Non-profit Corporation Certificate from the MN Secretary of State and the Federal Internal Revenue Service Tax-exempt notification letter, UNLESS you've previously submitted them to Prairie Lakes’ permanent file in the office. Please call to verify if we have them on file.

6. **Fiscal Sponsor**
   Minnesota Statutes require that public money may be distributed to unincorporated organizations only through a Fiscal Sponsor, which are a non-profit 501(c)(3) tax-exempt organization, according to the Federal IRS. If your organization is incorporated as a “non-profit 501(c)(3) organization” do not complete this section. If you need a fiscal sponsor, your organization should enter into a specific contractual agreement with the non-profit 501(c)(3) fiscal sponsor prior to applying for grant funds and attach a copy of the contract to your grant application. A Chamber of Commerce (501c4) does need to use a fiscal sponsor when applying for a grant. A fiscal sponsor may be any non-profit 501(c)(3) corporation or governmental unit that agrees to handle the administration of your funds. For example: Arts Group that is non-profit 501(c)(3), City, Historical Society, MN Extension Service, Public School, etc. **An example of a Fiscal Sponsor Contract is available from the Prairie Lakes office or download it from the online grant application.** The Fiscal Sponsor will receive and dispense funds and is legally responsible for completion of the project and management of the grant funds. The Prairie Lakes staff can also advise organizations on how to file Articles of Incorporation with the Minnesota Secretary of State and apply for tax-exempt status from the Federal Internal Revenue Service (IRS).

I. **Small Arts Project Community Grant Budget Form**
   Applicants should list all cash expenses related to the project under this heading. If an expense is not applicable, please put NA or $0 in the blank. **Project Income**

Identify and document amounts of Cash that your organization has to "match" 10% of the project expenses. Use the list below. Round all numbers to the nearest $10.

Total the **Project Income** and enter the “**Grant Amount Requested**” from Prairie Lakes.

**Total Support** for the project is the two figures added together. Income (1) + Grant Amount Requested (2) = Total Support for the Project (3). Total Income for the Project should also equal Total Expenses. The Grant Amount Requested and Total Project Expenses from the Budget need to be entered in the first section of the grant application.

4. The board will take one of the following actions:
   a. Determine that the appellant does not show sufficient cause for appeal;

      subsequent board or executive committee meeting;
   c. Request the appellant appear before the board or executive committee at a subsequent meeting and
      address his or her appeal at that time;
   d. Determine that the appellant does show sufficient cause for appeal and offer settlement to the appellant;
   e. Request that a 3-5 member appeal panel be put together to reconsider the application (discussion of the
      nature of the appeal will not be brought up during this meeting). The appeal panel decision is binding.

5. Within 45 days of receipt of a request for appeal, appellant will receive notification of the board's decision
   on the action that will be taken concerning the request.

6. Appellants will be notified in writing of the final board action or appeal panel decision.

7. Following the appeal to the board, if the appellant continues to dispute the decision of the board or appeal
   panel regarding his or her appeal from the board, this appeal will be conducted as a contested case pursuant
   to the Administrative Procedure Act, Minnesota Statutes, and sections 14.48 to 14.62.

8. There is no right of appeal for disputes of decisions of the board and/or its advisory committees with respect
   to artistic quality or merit, artistic excellence and leadership.

Upon request, Prairie Lakes grant application materials will be made available in an alternate format such as large
type, disk or on audiotape. Contact the Prairie Lakes office in Waseca at 1-800-298-1254. For individuals with
a disability and in need of TTY, contact the Minnesota Relay Service at 1-800-627-3529.

L. Survey
A survey is not required for Small Arts Project Community Grants at this time. However, a survey is required for
the larger Arts and Cultural Heritage Grants. Some Small Arts Project Community Grantees are already utilizing
a survey at their events to assist them when planning their project. Small Arts Project Community Grants can use
the example survey listed on page 10.
Audience Survey Form for Small Arts Project Community Grant

Arts organizations should personalize their audience survey form with their organization name and use these seven questions in all of their audience surveys. At least one audience survey should be conducted during the time period of your grant. The surveys can be longer (personalized to your organization) and have ten questions or more, but all Arts and Cultural Heritage Grants must use these same questions for the audience survey. The exception to use a different survey format is allowed for youth activities, classes or equipment purchase. Contact the Prairie Lakes Regional Arts Council office to discuss.
