July 1, 2010 – June 30, 2011

**Letter of Intent Due: January 15, 2011**

Full Application due: February 1, 2011

**A. INTRODUCTION AND ELIGIBILITY**

The purpose of the PLRAC/McKnight Emerging Artist Grant Program is to provide financial support to developing artists committed to advancing their work and careers. **Emerging artists in their formative stages of development are eligible.** Emerging is defined as showing potential or advancing in skill, technique and/or moving in a new direction. Applications are encouraged from artists in all art disciplines. This may include but is not limited to dance, literature, music, theater and visual art. This program provides artists with small but critical grants for specific projects that contribute directly to their growth and development as professionals. These are projects that produce art work that involves personal creative expression. This program is made possible by funds provided by the McKnight Foundation under a program designed and administered by the Prairie Lakes Regional Arts Council (PLRAC). Applicants must reside in Blue Earth, Brown, Faribault, LeSueur, Martin, Nicollet, Sibley, Waseca, or Watonwan County.

**B. GRANT AMOUNT AND DEADLINE**

The Emerging Artist Project Grants are for \$1,000 each and there is \$9,000 available this year. Artists must personally contact the Prairie Lakes staff to inform them of their intent to apply. The Letter of Intent is due January 15, 2011 and the full application must be mailed by February 1, 2011. Staff will determine the eligibility of the Artist for the grant by the information submitted in the Letter of Intent. The Letter of Intent is used as a screening method to ensure that artists are prepared to submit all the needed materials for the application; most importantly the work samples. Artists will be contacted if it is determined that they do not qualify. The Artist Applications will be reviewed at the February 24, 2011 board meeting. Grant applications must be postmarked by the deadline date. Applications postmarked after the deadline will not be accepted. The earliest starting date is approximately March 15, 2011.

**C. APPLICATION ASSISTANCE**

All applicants must notify the Prairie Lakes office of their intent to apply by January 15, 2011 using the form provided in these guidelines. The Prairie Lakes staff is available to assist applicants in project development and answer questions about the grant application process. Applicants are encouraged to contact the staff early in the planning process. Staff assistance does not guarantee or imply that a grant request will be funded. The content and accuracy of an application are solely the responsibility of the applicant. A grant writing workshop for artists will be held June 15, 2011, 6:00-8:00 p.m. in Room 104, Ylvisaker Fine Arts Center, Bethany Lutheran College, 700 Luther Drive, Mankato.

**D. HOW TO APPLY**

## H. REVIEW CRITERIA

The board will use the following criteria to evaluate each grant application, for a total of 30 points.

1. Demonstration of work and exceptional talent. (0-10 points)  
Does the work sample reflect artistic quality? Is their skill and technique clearly evident? Has the applicant described well how they are an emerging artist?
2. Evidence of serious artistic commitment. (0-10 points)  
Does the applicant appear to have sufficient initiative and ability? Does their resume reflect a variety of experiences and public exposure of their artwork?
3. Project's contribution to the artist's artistic growth. (0-10 points)  
Is the project described well? Is the budget realistic? Will this project assist in the artistic development of the applicant? Does this project reflect a logical next step in their artist's growth and development?

## I. GRANT REVIEW PROCESS

Staff analyzes the application for eligibility, budget accuracy, clarity, and completeness, and contacts the applicant if changes are required. Grant applications are reviewed and ranked by the board based on the stated criteria. Grant applications are then recommended for funding according to their order of ranking and the top 9 ranked grants will receive funding. On average there are 15-18 applicants per year. Applications are competitive and there is \$9,000 available.

## J. PAYMENT PROCESS

Upon notification of the grant award, the applicant must sign and return the Grant Contract within 30 days. After the contract has been returned to the Prairie Lakes office, a check for 80% of the grant award is sent to the grantee one month prior to the project starting date. The grantee may claim the remaining 20% by submitting a Final Report within 60 days of the project's completion.

**The Final Report is an extremely important document.** If the project has been carefully managed, there should be little difference between the final project description & budget and the initial application project description & budget. The PLRAC realizes that as projects develop, some minor differences may arise, but applicants should take every precaution to insure implementation, operation, and evaluation of the project as promised. Grantees that fail to submit a required Final Report within the prescribed time with good cause, and subject to Council approval, will automatically be considered ineligible for future funding.

## K. GRANTEE RESPONSIBILITIES

The grant recipient must:

1. Use grant funds only for the expenses listed in their application. Any significant revisions in the project must be requested and cleared, in advance and in writing, with the PLRAC's Executive Director.
2. Be responsible for completion of the project and for proper management of grant funds. Documentation and receipts for expenses must be submitted with the Final Report. The Final Report must be submitted within 60 days after the completion of the project.
