

A. INTRODUCTION

The PLRAC/McKnight Fellowship Grant provides professional mid-career artists with financial support that enables them to further their work and their contribution to their communities. It is intended to recognize, reward, and encourage outstanding individual artists in the region. Applicants for the PLRAC/McKnight Fellowship are expected to demonstrate professional achievement in their disciplines. Professional mid-career artist defined: professional achievement includes, but is not limited to: juried exhibitions, performances, and publications. Eligible artists are beyond the “emerging” or “beginning” stage in their careers. They have proved to be deeply engaged in their art form and may be ready to take a “leap” in their career. They are committed to being artists and to creating a body of work.

A Fellowship can support a broad range of study or activities, including exploration of new directions, continuation of work already in progress, or accomplishment of work not financially feasible otherwise. A Fellow may choose to take time for solitary work or reflection, engage in collaborative or community projects, embark on travel or research, or pursue other activity that contributes to their life as an artist.

This program is made possible by funds provided by the McKnight Foundation under a program designed and administered by the PLRAC, which serves Blue Earth, Brown, Faribault, LeSueur, Martin, Nicollet, Sibley, Waseca, and Watonwan counties.

B. GRANT AMOUNT AND DEADLINE

All applicants must notify the Prairie Lakes office of their intent to apply by September 15, 2011 using the form provided in these guidelines (pages 5-6). The Fellowship Grant is for \$3,000 and there is \$30,000 available. The full application deadline is **October 3, 2011**. The application will be reviewed at the November 17, 2011 board meeting. The fellowship period is one year. Grant applications must be postmarked by the deadline date. Applications postmarked after the deadline will not be accepted. The earliest starting date is approximately December 1, 2011 to December 1, 2012.

C. APPLICATION ASSISTANCE

G. REVIEW CRITERIA

The applicant’s work samples should demonstrate artistic quality and should be created within the past five years. All applications will be reviewed by the PLRAC board of Directors, who will consider the artist’s past endeavors and current work, the impact the Fellowship may have on the applicant’s career and future directions, and the difference the artist may make in the region as a result of the Fellowship. The three criteria are listed below and there is a total of 30 points.

1. Artist’s past endeavors and current work. (0-10 points)

Has strong vision, creative energy, and perseverance. Documentation of artistic achievement through their application, resume and work samples. Two letters of recommendation make reference to the applicant’s artistic commitment.

2. Impact the Fellowship may have on the applicant’s career and future directions. (0-15 points)

Are they a professional mid-career artist, someone working independently who can demonstrate that the creation of art is a primary endeavor? Is the Fellowship plan described well? Will the project serve as a catalyst for their artistic and professional growth? Have they described well how it is important to their career at this time? Is the budget realistic and do they have the ability to accomplish the activities within one year?

3. Public component. What artistic impact will the project have on the community? (0-5 points)

Does the artist plan to do an exhibit, lecture, performance, etc. in the region or state? This is required. Are they seeking ways to connect in their arts discipline in the community or region, and how?

H. SUBMIT WORK SAMPLES

Remember that artistic merit is one of the primary criteria for the selection of grantees. Your work sample should represent your work to its best advantage. Work samples should be fairly recent (within the last four years), and should support the intentions stated in your application. Do not submit original works. When submitting JPEG images, make sure the objects pictured are well lit and in focus. With a little care, good quality video and sound recordings can be made on home equipment. In all cases, make sure the work sample adequately reflects the quality of your work. Work samples will not be returned to the applicant.

Visual Artists: Submit maximum of 10 JPEG images, minimum of 300 dpi on CD; label CD with your name.

Literary Arts: (fiction, non-fiction, prose, poetry, play, etc.) - 15 pages maximum. Must be typed or computer generated and double-spaced, except poetry which can be single-spaced. Include cover sheet with title, writer's name and a brief synopsis of the contents.

Performing Arts: Submit visual or audible record of your work, maximum of 8 minutes. CD or DVD should be cued to the starting point; or only include 8 minutes total of work sample. On case of CD, clearly label with name, title of work(s), and length. Submit a written score (printed or computer generated) or a condensed score.

I. WORK SAMPLE DESCRIPTION

The Work Sample Description is a one-page typed list providing specific details about your work samples.

- a. **Put your name and daytime phone number at the top of the sheet.**
- b. If you are a **Visual Artist** submitting a CD of JPEG images, list the artwork in numerical order 1 through 10 in viewing order with title, dimensions, medium, and completion date for each work listed;
- c. If you are submitting **Literary Samples** (fiction, non-fiction, prose, poetry, plays, etc.): list the title, page numbers, and the completion date of each work;
- d. If you are submitting **Audio, CD or DVD:** list titles of works and recording date of each work.
 1. If the production represented by a CD or DVD involved others, explain your role in the work (for example, a choreographer may or may not appear in submitted videotape);
 2. If you are performing on a CD or DVD, give a description to help the panel identify you (for example, "I'm the dancer in the green tights");
 3. Indicate any technical instructions for presentation.
- e. You may also include a brief explanation of the work on your Work Sample Description.

J. PAYMENT PROCESS

Upon notification of the Fellowship grant being awarded, the fellowship recipient must sign and return the Grant Contract within 30 days. After the contract has been returned to the Prairie Lakes office, a check for 80% of the grant award is sent to the grantee one month prior to the project starting date. The grantee may claim the remaining 20% by submitting a Final Report within 60 days of the project's completion. **The Final Report is an extremely important document.** If the fellowship plan has been carefully managed, there should be little difference between the final plan & budget and the initial fellowship application description & budget. The PLRAC realizes that as projects develop, some minor differences may arise, but applicants should take every precaution to insure implementation, operation, and evaluation of the project as promised. Fellowship recipients that fail to submit a required Final Report and receipts of their expenses within the prescribed time with good cause, and subject to Council approval, will automatically be considered ineligible for future funding.

K. FELLOWSHIP RESPONSIBILITIES
